Comments/Suggestions:

- I wish there had been more time for Dr. Antunea to finish the last part of his last presentation
- Excellent Thank You!
- Not enough time/info spent addressing the relation of culture/ religion and health care, this was a concern with the Lao and Hindu presentation too.
- Carolyn Lopez was wonderful. Program wouldn't have been as effective without her. Very well done. Excellent
- It is too bad that Dr. Antunea didn't get to the end of his last presentation
- Friendliness of presenters is appreciated God Bless Them!
- I wish Dr. Antunea could have given his whole program on health
- I would have enjoyed hearing Sr. Cirnig the remainder of the mexican client very interesting
- Thanks much for sharing, I learned alot today and have a better understanding of the Latino background
- Great work
- I with the session focused more on specific communications between providers and the Latino/a community. I felt the Hindu session was much more specific and informative.
- Carolyn was a terrific addition
- Great job by all speakers
- I learned a lot about mexican culutre and it was wonderful to have Carolyn adding her part
